### PROFILE

Technology lover, interested in new tools to improve front-end development.

Believer in teamworking to get better and faster the projects and passionate about clean coding

### Work Experience

NovaTransmedia sep 2022- dic 2022

Development of educational interactives for universities in Colombia, using technologies as HTML, CSS (Sass), JavaScript, JQuery, Bootstrap and ReactJS

Freelance jan-2023 - feb-2023

**App for getting a job:** I made front end part (responsive design and functionalities) in a iOS project, using React Native and different libraries to help the production.

Freelance feb-2023 - feb-2023

**Website University Grades:** A teacher from University Santiago de Cali, needed a program that controls the grades of their students and calculate the average and final grades (JavaScript, HTML, CSS, Bootstrap)

### PROJECTS

**Task App:** This application allows you to list all your pending tasks, it will allow you to mark tasks as completed, filter by name, and delete them at the user's pleasure. It is open to the public with the following link:

<https://camiloprog.github.io/react-introduction/>

**SearchMovies:** On this website, you can search movies from an API, and organize checking the box

(ReactJS, Atom Design, CSS, HTML, JavaScript)

<https://camiloprogsearchmovies.netlify.app/>

**UsersTable:** Using an API to get users on a table

(ReactJS, TypeScript, Atom Design, CSS, HTML, JavaScript)

<https://camiloproguserstable.netlify.app/>

**TodoApp:** A website where you can add something to do in your routine, mark as completed, and organize them.

(ReactJS, TypeScript, Atom Design, CSS, HTML, JavaScript)

<https://camiloprogtodo.netlify.app/>

### EDUCATION

PLATZI march - 2022 - present

Platzi is a virtual school, where you can learn all about technologies and software development.

I have dedicated myself to front-end development learning about HTML, CSS, JavaScript, TypeScript, ReactJS and ReactNative

**Curso Práctico de Frontend Developer:** We use all the qualities that CSS and HTML have for the layout of an online store, with an interface that the consumer requires

**Curso React Avanzado:** I understood the importance and the time saving that a library can offer us and its main uses of it.

Universidad Santiago de Cali feb-2020 - jul- 2022

Learning foreign languages for the teaching of the same, I was a monitor for newly admitted students during the fourth and fifth semesters.

I worked as an intern in "Colegio ingles de los Andes" for a period of 6 months
